

ORNL COMMITTEE FOR WOMEN

WOMAN-to-WOMAN: Career Perspectives Across a Generation

Thursday, February 8th,
Weinberg Auditorium
12 – 1 pm

This ORNL Committee for Women forum will feature three prominent ORNL women scientists at different stages of their scientific careers:
Robin Graham of ESD, Christina Hoffmann of SNS,
and Laetitia Delmau of CSD.

As representatives of different ORNL career generations, the speakers will share their perspectives on being women scientists at ORNL and discuss challenges relevant to each of them.

More information about the ORNL Committee for Women can be found at www.ornl.gov/cfw/home.htm.
