-------------------------------------	--	------------	------	---	-------	--------------------------	--	--------------------------

**Comments:** NOTE: Hard copies of DOE-STD-1111 were published and distributed with an error in Appendix B, page B-1. The DOELAP Process Flowchart has 7 "boxes" on the left side, starting with "Site Application" and ending with "Oversight Board". The sixth box, which should have been labeled "Site Assessment" was incorrectly labeled as "Self Assessment" on the distributed copies. This is a subtle but important error! The electronic PDF file posted on the TSP Home Page has the correct "Site Assessment" label. A "Change Notice" will be issued to those who received the distributed copies informing them of the error. In the meantime, the error should be noted on your personal hard copy.
