MEMORANDUM FOR: INGRID KOLB
DIRECTOR, OFFICE OF MANAGEMENT

THRU: KEVIN T. HAGERTY *Kevin T. Hagerty*
DIRECTOR, OFFICE OF INFORMATION RESOURCES

FROM: ERIC NICOLL *EN*
PRINCIPAL DEPUTY ASSISTANT SECRETARY, OFFICE OF
CONGRESSIONAL AND INTERGOVERNMENTAL AFFAIRS

SUBJECT: Notice of Intent to Revise DOE Order 1230.2

PURPOSE: To update the Order to include updated documents related to the interactions between DOE and Federal recognized American Indian Tribes.

JUSTIFICATION: Per the request of Deputy Secretary Sell, CI reviewed the existing Orders under their jurisdiction. Order 1230.2 is the only Order that needs to remain active. Several minor changes are required to reflect current office titles and existing documents.

Additionally, a Framework for Implementation of the DOE American Indian and Alaska Natives Tribal Government Policy for NNSA, EM, NE, and SC ("Framework") was approved by Secretary Bodman on November 28, 2007. This Framework affects some procurement and contractual actions undertaken by the aforementioned elements. At the direction of Ed Simpson in the Procurement Office, the Framework must be attached to Order 1230.2 in order to comply with existing internal procurement policies.

We request a 30-day concurrence to expedite the process, since the Secretary's approval of this Framework occurred in November 2007.

The proposed directive does not duplicate existing laws, regulations or national standards and it does not create undue burden on the Department.

IMPACT: No impact.
