

**William Eugene Comings, Operational Safety Services**

*For his selfless commitment, along with his dog, Shadow, to bringing joy and comfort to the residents of the Homewood assisted-living center for Alzheimer's patients, through the University of Tennessee's Human-Animal Bond in Tennessee (HABIT) Program*

**Tim Myrick, Facilities Revitalization Project**

*For setting the standard for ORNL staff's involvement in serving those in need by challenging UT-Battelle and the community to match his contribution to purchase a disaster relief van for the Red Cross and by his personal involvement in raising those funds - the epitome of the Team UT-Battelle concept*

**John Norman, Nuclear Science and Technology**

*For his long history of community service in support of science education, youth sports, and charitable activities through such entities as Ronald McDonald House, Children's Hospital, and the University of Tennessee's President's Club*
