Robert Baird, Angela Calloway, Lisa A. Copeland, Roy L. Etheridge, Ronald J. Geouque, Al Guidry, Susan G. Hiser, M. Jack Liles, Barry R. Miller, Virginia L. Miller, Will Minter, Joel E. Pearman, Nicole E. Porter, and William Thornton III, SNS Procurement; Conventional Facilities; Legal Directorate (Associate General Counsel); Small Business Program Office; and DOE-OR

For their outstanding and influential achievements and contributions to the SNS Project, DOE, ORNL, and the entire East Tennessee procurement community through innovative procurement strategies, standardized procurement activities, and incentive plan initiatives

Tim Myrick, Arthur S. Bland, William R. Emanuel, Richard C. Griffin, and Mahendra Lakumb, Facilities Revitalization Project; Computer Science and Mathematics; Engineering; and Office of the Laboratory Director (University of Virginia)

For their groundbreaking roles in interacting with State of Tennessee entities; in addressing issues relating to transfer of DOE land to the state; and in managing complex relationships among the state, the architectural/engineering firm, university users, ORNL staff, and DOE to ensure the on-schedule construction start for the facility that will house the Joint Institute for Computational Sciences and the Oak Ridge Center for Advanced Studies (JICS/ORCAS)
