

*Administrative
and
Operational
Leadership*
at the group level

Kimberly B. Jeskie, Physical Sciences Directorate

For outstanding mentoring of group staff and personal involvement in assuring safe and compliant research performance, and for leadership in nuclear facility relocation and reclassification projects in the Chemical Sciences Division

A professional headshot of Ron R. Smith, an older man with white hair and glasses, smiling. He is wearing a dark suit jacket, a yellow shirt, and a patterned tie. The background is a textured blue.

Ron R. Smith, Laboratory Protection

For exemplary leadership of ORNL's Security Department, including support of the research mission while efficiently delivering a secure ORNL campus
