

# *Thermal Performance of the Exterior Envelopes of Whole Buildings XI International Conference*

## Call for Papers & Workshops

Abstracts Due May 29, 2009

The eleventh international conference on Thermal Performance of the Exterior Envelopes of Whole Buildings XI will be held December 5–9, 2010. This conference will present two tracks:

**PRINCIPLES** – Devoted to Research    **PRACTICES** – Focusing on Practical Applications and Case Studies

You are invited to submit an abstract for presentation in either the **Principles** (research) or **Practices** (practical applications) track. Special topic **Workshops** will be presented before or after the conference. A written paper will be required for all presentations.

### ABSTRACT SUBMISSION

Please submit an abstract, not to exceed 250 words, by **May 29, 2009** to:

### Suggested Paper and Presentation Topics

Building Retrofit  
Building Sustainability–Green Buildings  
Commissioning and Test Procedure Development  
Daylighting  
Design Tools  
Disaster Design for Hurricanes & Earthquakes  
Durability and Service Life  
Dynamic Envelope Performance (Mass)  
Envelopes: Walls, Roofs, Attics, and Foundations  
Factory-built Housing  
Fenestration  
Indoor Environment  
Insulation Air Barriers and Vapor Retarders  
Integrated Envelopes  
Moisture Issues  
Monitoring, Modeling, and Simulation  
Passive Solar Design  
Standards, Codes, and Guidelines  
Weatherization  
Whole-building Efficiency  
Zero Energy Buildings

### Dates to Remember

- **May 29, 2009**  
Abstracts due to [williamst@ornl.gov](mailto:williamst@ornl.gov)
- **July 20, 2009**  
Notification of abstract acceptance to Authors
- **January 23, 2010**  
Authors submit completed manuscripts to Session Chairs for peer review
- **March 29, 2010**  
Peer review comments sent to Authors. At this time, Authors are encouraged to provide updated research data, with the concurrence of the Session Chair.
- **June 18, 2010**  
Final draft of papers and updated abstracts are due to Session Chairs
- **August 31, 2010**  
Papers returned to Authors with ASHRAE's editing
- **September 17, 2010**  
All papers must be returned in final form to ASHRAE for publication
- **December 5–9, 2010**
