Gerry Greaves graduated from the University of Rhode Island in Kingstown, RI in 1975 with a B.S. degree in Civil Engineering. He has a diverse background working on structural analysis of submarines, product development of composite pipes and underground storage tanks, acoustics and damping materials, and residential roofing materials. He is currently a Research Associate at Owens Corning Science & Technology, in Granville Ohio where he has worked for the last 17 years. He has recently worked on analyses of residential cool roofs, and Zero Energy Homes.
