

ANTHONY V. PALUMBO

PRESENT POSITIONS

2009 – Present Division Director, Biosciences Division, Oak Ridge National Laboratory (ORNL),
P. O. Box 2008, Oak Ridge, TN 37831-6060. Phone: 865-574-5845, Fax: 865-574-3036,
E-mail: palumboav@ornl.gov. Web: <http://www.ornl.gov/sci/ees/bsd/Palumbo.shtml>

2001 – Present Distinguished Scientist, Biosciences Division (previously Environmental Sciences
Division - ESD), ORNL

PREVIOUS POSITIONS

2007-2009	Deputy Division Director, Biosciences Division
2000-2001	Section Head for Earth and Microbial Science Section, ESD
1999-2000	Science Team Leader for Biogeochemistry for ESD
1997-1999	Senior Staff and Member of the Research Council
1993-1996	Group Leader - Microbial Interactions Group, ESD, ORNL, Oak Ridge, TN.
1987-1997	Staff Member, Environmental Sciences Division
1983-1986	Research Associate, University of Tennessee, Knoxville, TN.
1981-1983	Research Associate, University of North Carolina, Chapel Hill, NC.
1979-1981	Postdoctoral Associate, Massachusetts Institute of Technology, Cambridge, Mass.
1977-1979	Biologist, National Marine Fisheries Service, Beaufort, NC.

EDUCATION

Rensselaer Polytechnic Institute	Biology	B. S. 1973
North Carolina State University	Marine Science	M. S. 1976
		Ph.D. 1980

RESEARCH INTERESTS

Integration of physical, chemical, and biological remediation technologies; Microbial ecology in contaminated and pristine ecosystems; application of molecular techniques to microbial ecology.

PROFESSIONAL RECOGNITION AND AFFILIATIONS

Fellow of the American Academy for Microbiology.

Member of: American Society for Microbiology; American Society of Limnology and Oceanography;
American Geophysical Union

Ad hoc reviewer: Sea Grant, DOE, and NSF Proposals, Applied Microbiology, Letters in Applied Microbiology, Water Resources Research, Limnology and Oceanography, J. of the North American Benthological Society, 1st - 4rd International Symposiums on "In situ and On-Site Bioreclamation", Symposiums on Biotechnology for Fuels and Chemicals. NSF Panel for SBIRs on Biosensors, Bioremediation J.

Co-chair for the session "Biogeochemical transformations of contaminants in freshwater systems", at the 2010 AGU Meeting of Americas, Brazil. Co-Chair for session "Biogeochemical Controls on Fate of Mercury at Contaminated Industrial Sites" at the Fall AGU meeting, San Francisco. Co-Chair for 7th Conference on Small Genomes, Va., 1999; Co-Chair/Organizer for the "Symposium on Microbial Ecology" at the VII International Congress of Ecology, July 1998. Co-Chair for "Mechanisms Regulating Microbial Diversity and Population Dynamics" at the ASLO 99 Aquatic Sciences Meeting.

Organizer/Chair for DOE/OHER Meeting Heterogeneity at Contaminated Sites, October, 1996. Chair for "Symposium on Surfactants for Bioremediation" at the 1996 Society for Industrial Microbiology Meeting, the "Symposium on Bioavailability and Biosurfactants" at the 1994 Annual ASM Meeting; Workshop on Techniques for Bioremediation at the 1992 Annual ASM Meeting; Section on Biological Processes for Symposium on Organic Contaminants at 1990 ACS Annual Meeting.

Former Member of; US DOE OTD, Technology Support Group, Advisory Committee for the University of the Tennessee Center for Environmental Biotechnology, Editorial Board for Ecotoxicology, Society for Industrial Microbiology; Society for Applied Microbiology (UK), Remediation Technology Development Forum, Chlorinated Solvents Working Group, Working Group for DOE OHER NABIR Program Plan; Invited Participant at: EPA Workshop "Development of Ecological Tier Testing Schemes for Microbial Biotechnology Applications; NABIR Basic Workshop, June 1999. Invited Participant at EPA Workshop Development and Application of Ecogenomics for Water Quality Assessment, May 2002.

GRANTS, PATENTS, AWARDS,

Recipient of: > 30 Grants from DOE and DOD for microbial ecology, biodegradation, bioremediation, and marine biotechnology. Most Recent:

1. Biogeochemical and Molecular Mechanisms Controlling Contaminant Transformation in the Environment. L. Liang, A. V. Palumbo, S. C. Brooks, B. Gu. DOE ERSP program
2. Geochemical, Genetic, and Community Controls on Mercury Methylation, , A. Palumbo, J. Wall, D. Elias, S. Brown, C. Brandt, Dr. F. Michael Saunders. DOE ERSP program
3. Role of microbial synergies in immobilization of metals. DOE, S. S. Epstein, K. Lewis, Y. Yang, M. Martin, A.V. Palumbo. DOE
4. An Integrated Experimental and Modeling Approach for the Study of Microbial Biofilm Communities, A. Palumbo, C. Brandt. ORNL
5. Enhancing Carbon Sequestration and Reclamation of Degraded Lands with Fossil-Fuel Combustion Byproducts, A. Palumbo, et. al.; DOE, Fossil Energy Program
6. Microbially induced P bioavailability: Effects on community ecology and U sequestration - A. Palumbo, P. Sobecky, and C. Zhang; DOE NABIR program
7. Non-competitive microbial diversity patterns in soils: Their causes and implications for bioremediation . J. Tiedje, J. Zhou, A. Palumbo, R. O'Neil. DOE, NABIR program
8. Linking process and population studies to understand the nitrogen loss mechanisms of Pacific Northwest marine sediments - J. Tiedje, J. Zhou, A. Devol, A. Massol-Deya, A. V. Palumbo; DOE, Marine Biotechnology Program.

Patent No. 5,807,697. Strong-Gunderson, J. M. and A. V. Palumbo. Biological Tracer Method.

Patent No. 629,146. Cochran, J., T. J. Phelps, J. M. McCarthy, and A. V. Palumbo. Position sensitive radioactivity detector for gas and liquid chromatography.

Patent No. 7,569,737. T. J. Phelps, C. Tsouris, A. V Palumbo, D. E. Riestenberg, and S. D. McCallum. Method for excluding salt and other soluble materials from produced water.

2002 Certificate of Appreciation, U.S. Department of Energy, Subsurface Contamination Focus Area.

2001 Merit Award from the Society for Technical Communication for Online Communications.

1998 Two Technical Communication Awards from the Society for Technical Communication.

1996 Annual Scientific Achievement Award, Environmental Sciences Division, ORNL.

Selected for Leadership ORNL, completed 2/98.

Two 1995 Royalty-Sharing Awards from Lockheed Martin Energy Systems.
