# NE Programs (SCUREF)

## ORNL Participation

---

- Nuclear Engineering and Health Physics Scholarships and Fellowships 
- Naval Nuclear Propulsion Graduate Fellowship Program
- Radiochemistry Education Award Program 
- Minority-Majority University Partnerships in Nuclear Engineering 
- South Carolina State University Junior Faculty Award and Scholarship Program 
- Innovation in Nuclear Infrastructure and Education 
- Nuclear Energy Research Advisory Committee 
- Proposed Southeast Universities Nuclear Reactors in Science and Education 

# NE Programs (ULA)

## ORNL Participation

---

- Utility-Industry Matching Grant Program in Nuclear Engineering Education (Pre-award)
- University Research Reactor Sharing Program (Pre-award)
- Nuclear Engineering and Health Physics Career Opportunities Website 

# Suggestions Regarding ORNL Participation in NE Support for University Programs in Nuclear Engineering and Health Physics

---

- Full Support for SUNRISE
- Assist SCSU with its emerging NE and HP Program (Adjunct Faculty, Student Internships, Faculty Research for existing SCSU faculty)
- Recruit NEHP Fellows and Scholars for Internships and Employment
- Establish NNP (KAPL/Bettis) type program for ORNL
- Consider Subcontract Agreement with SCUREF
