**Oak Ridge National Laboratory**

**AGREEMENT FOR RESTRICTED USE OF SOFTWARE:**  
**Off-line use of ES Vision software licensed to the SHaRE User Facility**

EMiSPEC Systems, Inc. and the SHaRE User Facility at Oak Ridge National Laboratory have agreed that the site license SHaRE has for offline use of the software program entitled "ES Vision" covers the off-site use of the software by collaborative users of the SHaRE User Facility for the sole purpose of analysis and reduction of data generated at the facility. Therefore, a SHaRE User Facility user may install and use this software at his own institution for a specified period of time in order to analyze data obtained from the SHaRE User Facility, given the following conditions.

Off-site use of the software package "ES Vision" is granted only for examination and analysis of data obtained at the SHaRE User Facility. The application will not be installed on more than a single computer, and will be removed from the computer on or by the specified license expiration date (the "uninstall date"). Any password provided by either the Facility or EMiSPEC for installation or use of the application will not be distributed to others.

I agree with the above stipulations (signature and printed name of user and institution follow):

NAME \_\_\_\_\_  
INSTITUTION \_\_\_\_\_  
SIGNATURE \_\_\_\_\_  
DATE \_\_\_\_\_  
INSTALL DATE \_\_\_\_\_  
UNINSTALL DATE \_\_\_\_\_

A copy of this signed agreement will be retained in the SHaRE User Facility files.
