

Isotope Science and Engineering Directorate

Balendra Sutharshan, Associate Laboratory Director

John Gearhart, Chief Operating Officer

Roberta Grafton, Executive Assistant

Administrative Services Coordinator

Kristin Gunter

National Isotope Development Center

Mitch Ferren

Isotope Programs

DOE Isotope Program:
Kevin Hart

Domestic Uranium
Enrichment (DUE):
Brian Anderson

Pu-238: Bob Wham

Program Planning
and Integration:
Mary McGarvey

Radioisotope Science and Technology Division

Brad Johnson,
Director

Enrichment Science and Engineering Division

Brian Anderson
Director

Nonreactor Nuclear Facilities Division

Mike Pierce,
Director

Facilities and Infrastructure

Nuclear Infrastructure
Programs: Mike Farrar
Stable Isotope Production
and Research Center:
Paul Larson (PMO)

Stable Isotope Production
Facility: Tom Kollie

Centrifuge Manufacturing
Capability: Joe Pickel (PSD)

DUE Infrastructure: TBD

Radioisotope Processing
Facility: TBD

Matrix Support

Matt Rogers: Business Manager

Megan Fielden:
HR Business Partner

Lindsey Reagan:
HR Business Partner

Steve Cherry: (Interim)
Talent Acquisition Partner

Jason Ellis: Communications

Quinn Windham: Legal

Clint Rash: Procurement Manager

Lori Moore: Quality Manager
