Buildings and Transportation Science Division

Josh Pihl, Director

Propulsion Science Section

Jim Szybist

Applied Catalysis and Emissions Controls Research Group

Josh Pihl

Electric Drives Research Group

Veda Galigekere

Fuel Science and Engine Technologies Group

Scott Curran

Vehicle and Mobility Systems Research Section

Burak Ozpineci

Applied Research for Mobility Systems Group

Burak Özpineci

Transportation Analytics and Decision Science Group

Stacy Davis

Mobility and Energy Transitions Analysis Group

Ranjan Bose

Vehicle Power Electronics Research Group

Omer Onar

Building Technologies Research Section

Kashif Nawaz

Building Equipment Research Group

Brian Fricke

Building Envelope Materials Research Group

Diana Hun

Integrated Building Deployment and Analysis Group

Piljae Im

Multifunctional Equipment Integration Group

Kashif Nawaz

Thermal Energy Storage Group

Xiaobing Liu
