

Environmental Sciences Division
Eric Pierce, Director

Biodiversity and Sustainable Systems Section
Eric Pierce, Interim

Water Resources Science and Engineering Group
Shih-Chieh Kao

Biodiversity and Ecosystem Health Group
Teresa Mathews

Bioresource Science and Engineering Group
Erin Webb

Environmental Risk and Energy Analysis Group
Anthony Armstrong

Earth Systems Science Section
Peter Thornton

Ecosystem Processes Group
Anthony Walker

Plant-Soil Interactions Group
Colleen Iversen

Biogeochemical Dynamics Group
Melanie Mayes

Earth Systems Modeling Group
Daniel Ricciuto

Watershed Systems Modeling Group
Scott Painter

Earth Systems Informatics and Data Discovery Section
Giri Prakash

Earth Systems Data Management and Operations
Rob Records

Sensor and Data Systems Research and Engineering
Cory Stuart

Remote Sensing and Environmental Informatics Group
Bruce Wilson
