

# Nuclear Security and Isotope Technology Division

Cecil Parks, Director

**Nuclear Security S&T:** Brian Anderson, Deputy Director

**Pu-238 Technology:** Bob Wham, Manager

**Radiochemical Engineering:** Emory Collins, Lead

**Nuclear Materials Program:** Ben Lewis, Deputy Director

**Defense Nuclear Nonproliferation R&D:** Dave Williams, Manager

**Enrichment Science and Engineering Programs:** Mike Taylor

**International Safeguards**

Michael Whitaker

**Learning Sciences**

Melinda Devaney

**Material Security and Export Control**

Len Phillips

**Medical, Industrial, and Research Isotopes**

Rose Boll

**Nonproliferation Systems**

Tim Wynn

**Nuclear and Radiochemistry**

Roy Copping

**Nuclear Material Detection and Characterization**

Michael Wright

**Nuclear Security Advanced Technologies**

Brian Anderson

**Nuclear Security Modeling**

Vince Jodoin

**Process Engineering Research**

Joe Birdwell

**Radiochemical Science and Engineering**

Jared Johnson

**Safeguards and Security Technology**

Chuck Britton

**Threat Reduction Initiatives**

Bill Toth
