John Sanseverino
Project Manager Phone: (865) 576-9093
Oak Ridge National Laboratory e-mail: sanseverinoj@ornl.gov

Education

Ph.D.	1989	Department of Biology, Lehigh University.
M.S.	1985	Department of Microbiology, University of New Hampshire.
B.S.	1982	Department of Biology, Rensselaer Polytechnic Institute.

Continuing Education

Project Management Certificate of Completion. 2011. Project Management Institute and Pellissippi State Community College. 35 PDUs.

Experience and Background

2017 - present **Project Manager.** Computing and Computational Sciences Directorate, Oak Ridge National Laboratory

2013 - 2017 **Operations and Business Manager**, Climate Change Science Institute, Oak Ridge National Laboratory

2012 - 2013 **Project Manager,** Climate Change Science Institute, Oak Ridge National Laboratory

2010 - 2012 **Director of Programs**, Tennessee Solar Institute, University of Tennessee Research Foundation.

2006- 2010 **Managing Director,** *Center for Environmental Biotechnology (CEB), University of Tennessee, Knoxville.*

Research Associate Professor, *Department of Microbiology*

2005- 2007 **Co-Founder, Officer, and Board of Directors.** *Black Bear Biotechnology, LLC.* Black Bear was conceived as a vehicle to transition CEB related intellectual property to the market place. Black Bear was a recipient of a USDA SBIR Phase I award (May 1, 2006 – December 31, 2007)

2001- 2006 **Assistant Director,** *Center for Environmental Biotechnology, University of Tennessee, Knoxville.*

1999 - 2006 **Research Assistant Professor,** *Department of Microbiology, University of Tennessee, Knoxville.*

1998 **Adjunct Faculty,** *Roane State Community College*. Instructor for Microbiology Laboratory.

1996-2003 **Co-founder, Officer, and Board of Director, *Critical Point Technologies, Inc.*** Critical Point Technologies, Inc. was a start-up company that was developing instrumentation to monitor drinking water for microbial pathogens.

1995 - 2001 **Senior Research Associate, *Center for Environmental Biotechnology, University of Tennessee, Knoxville***.

1991 - 1995 **Environmental Specialist/Biotechnologist, Technology Development**, ***IT Corporation,*** Knoxville, Tennessee.

1989 - 1991 **Post-Doctoral Research Associate*, University of Tennessee, Knoxville, Tennessee***. Biodegradation of PAH in manufactured gas plant soils.
